

1000 Back Pack Give-Away

Are you ready to make a difference! This summer at Life Church we are ready to put our faith into action and be the hands and feet of Christ to our community! All summer long we will be working together to fill 1000 backpacks to give away at a very special Community Service, Wednesday August 25. This service will be history making for Life Church as we give away backpacks and have Back to School prayer over all our kids.

Want to Know How to Help? Here are three ways

4. Every week throughout the summer we will feature an “Item of the Week” that we ask you bring to either Sunday or Wednesday services. From pencils and pens, to crayons and scissors we want everyone to bring that item and will be collected at a special time in our service.
5. If you can’t bring an item or forgot that week, make a \$1 or \$2 donation that will help us purchase items needed that week. You can give your donation during our Back Pack Collections part of service
6. We have estimated that it will cost about \$25 to full an entire back with the proper supplies. You can be a “Back Pack Partner” and donate for the full amount in order to again partner with us in our goal of 1000 back packs! Just mark your giving envelope and “Back Pack Partner”.
